

CALL FOR PAPERS

Bundesbank–OeNB–SNB Workshop

23–24 June 2011
Switzerland

Joint workshop between the Deutsche Bundesbank, the Austrian National Bank and the Swiss National Bank.

This year, the workshop is being organised by the SNB. The objective of the workshop is to promote cooperation between researchers at the three central banks.

SNB staff have the possibility of presenting two to three papers at the workshop. Those interested in presenting their work should mail a PDF file with a draft or detailed abstract of their paper to the secretary's office of the Research Coordination & Education unit (sarah.hoerler@snb.ch) by **28 February 2011**. You may also contact SAH should you wish to be a discussant for a paper.

Further information on the workshop will be provided in due course.

Organising Committees:

Heinz Hermann (Deutsche Bundesbank), Martin Summer (Austrian National Bank), Marcel R. Savioz (Swiss National Bank)
